Mr. Wyllie called regarding APS line extension tariff. He knows that they have applied for a rate case and he feels that their line extension should stay with the 1000 ft. free, but that instead of a \$25,000 Cap it should be a \$40,000 or \$50,000 Cap. Mr. Wyllie wants the Commissioners to be informed of this information and may e-mail his views to them.

**Utilities' Response:****Investigator's Comments and Disposition:**

7/28/04 I agreed to enter his comments into the database for the record and place his comments in APS' official Docket No. E-01345A-03-0437. I also agreed to send him a copy of APS' present tariff on line extensions. APS' Schedule was sent to Mr. Wyllie. Closed.
